

The Importance of keeping in touch with our church Family

One of the sad consequences of the covid19 pandemic is the separation many of us feel from our church family. While social distancing prevents us from gathering physically for Sunday School, Church Services, Bible Study, Youth Activities and Care Groups, we are still able to worship and grow in the good news of the gospel from home. We are so very thankful for the many outlets we can connect through technology. Families can still stay connected to God and our congregation as we make our way through this crisis.

Galatians 6:2 says to "bear one another's burdens." In a church family, we can share our struggles and others will help us bear those burdens.

Galatians 5:13 says, "... through love serve one another." So when struggles are brought to the church family, those believers are to respond by serving one another, alleviating the suffering wherever possible. When those struggles cannot be alleviated,

James 5:16 says to "pray for one another, that you may be healed." Similarly,

1 Thessalonians 5:11 says to "encourage one another and build one another up."

2 Corinthians 13:11 commands us to "comfort one another." So another value to having a church family is that facing our struggles and bearing our burdens becomes easier.

Buddy System

Even if we can't physically be in the same place, we can continue to maintain some sense of community. We would like to form a buddy system that connects our members with one another. This can be achieved by connecting through WhatsApp, email or a telephone call from time to time. If you would like to be a part of this important initiative please reply to this email at cogcgt@candw.ky or telephone the church office on 949-9393.

This is a difficult time for all of us and our Prayer Ministry Team is available to offer support. We consider it a privilege to agree with you in prayer, interceding before the throne of Grace for your needs, calling on the power of our awesome God to heal, comfort, and encourage.

Our Prayer Ministry Team meets regularly online, if you have a personal prayer request this can be submitted through our website or by email to Pastor Yolanda Palmer at flcoff@candw.ky.

COMING NEXT WEEK...

We are excited to Partnership with **rightnow** MEDIA

As a church we are always looking for ways to help you develop and strengthen your faith. We believe that RightNow Media will be a tool to serve you as you live out your faith at home, at work and in your neighborhood. RightNow Media has videos for everyone - kids, youth, parents, married couples, college students, single adults, working professionals - all aimed at helping you grow.

This is our free gift to the congregation. Be on the lookout for an email invitation from our Rightnow Media Representative with information on how you can get started.

Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.
